EXAM Day Strategy

Choose your answers carefully as 1/4th marks allotted to the question will be deducted for every incorrect answer.

Manage your time in the most efficient manner. For Paper I, there will be 65 questions to be answered in a time frame of 90 minutes. Paper III will also have 65 questions to be answered in a time frame of 90 minutes. For paper II, you will get 90 minutes to solve 3 questions of English (Writing Skills).

Always maintain your calm. Answer questions quickly but not in panic. Panicking about a situation will make you forget even what you already know. Practice a few online Practice Tests.

First, attempt the questions whose answers you know. Do not waste much time on any question. You can always come back to these questions after answering others.

Try to gauge your performance by attempting timed tests in order to find your own balance of the number of attempts and the number of correct answers (accuracy) to get the maximum score.

RBI Officers Grade 'B' Exam

Selection for the RBI Officers Grade 'B' posts will be done through ON-LINE examinations in Phase - I and Phase - II and interview.

The minimum aggregate cut off marks for being shortlisted for Interview will be decided by the Board in relation to the number of vacancies. Interview will be of 50 marks. Candidate may opt for interview either in Hindi or English. Final Selection will be through merit list which will be prepared by adding marks secured by candidates in Phase-II examination and interview.

Computer Based Test (CBT)

Generally, the banking exams in India are conducted using the online mode. The test will contain multiple-choice questions with four or five options to choose from. You need to click the radio button beside the answer you think is correct.

Tips to Prepare for the Computer Based Test (CBT)

- ⦿ Refer to the notifications of RBI Officers Grade 'B' exams for the updated syllabus and all the information related to the exam. Read the rules and instructions carefully on how to attempt the exam.
- ⦿ Prepare and adhere to your daily study plan keeping the date of examination in mind.
- ⦿ Ensure that you develop a habit of doing all the rough work or markings on a separate set of papers, other than the book/paper on which the questions are printed.
- ⦿ Besides conventional paper-based reading, start developing the habit of on-screen reading. You can start by reading online news, articles and magazines.
- ⦿ Visit websites that conduct free online exams.
- ⦿ Make yourself familiar with the graphical user interface of the online exam. For example, understand the meaning of Submit, Save and Next, Unattempt, Clear Response and Finish buttons/controls.
- ⦿ Always carry an identification proof and your admit card on the date of the examination.
- ⦿ When prompted on the screen, enter your enrollment number and password properly.
- ⦿ Before starting the exam, choose the default language between English or Hindi to display questions.
- ⦿ Try to complete the paper in the given timeframe; however, do not pay much attention to the clock as it may break your attention and cause you to panic.
- ⦿ There is negative marking for incorrect answers; therefore, choose your answers carefully. However, no marks will be deducted if you do not attempt the question.
